

Spring 2019 Fee Waiver Program

Policy for Complimentary Institutional Registration

The intent of the National College Fair Fee Waiver program is to encourage full participation of institutions that have been traditionally underrepresented at National College Fairs. As an organization NACAC strives to encourage participation from exhibiting institutions to mirror the diversity of our attendees. It is our hope that by providing institutions with the opportunity to exhibit at the National College Fairs for free, that these colleges and universities will experience the value of their participation and continue as registered participants in future years.

The following policy will be in place for the Spring 2019 National College Fairs season:

Eligibility Considerations

- Accredited two- and four-year non-profit colleges and universities in good standing.
- For-profit institutions are not eligible for the program.
- Priority in the selection process will be given to institutions that cannot afford the National College Fairs registration fee because of financial hardships.
- Institutions may receive a maximum of five waivers (5) during the life of this program.

Participation Requirements

- Eligible institutions interested in participating in the fee waiver program should complete the Fee Waiver Application by the published deadlines.
- Participating institutions must adhere to NACAC's Statement of Principles of Good Practice and all rules and regulations that govern the National College Fairs program.
- **All fee waiver recipients MUST order a scanner priced at \$50 USD to participate in the fee waiver program.***
The rental fee for the scanner includes all student leads obtained at the event. Once the application has been approved by NACAC, applicants will be sent a scanner order form. The completed form and payment must be received up to 14 days prior to the fair date in order to confirm registration.

*Please note: the cost for replacing a lost or misplaced scanner is \$600 USD.
